

Fantasy Play Activities

Nature Painting

University of Alberta: Emma Kieftenbeld, Erin Berthelsen, Chloe Smith & Kaylin Berlinguette

Materials Needed:

Washable
finger paint
Leaves
Sticks
Pinecones
paper/canvas

Instructions:

Collect 4+ item found in nature, get paper and paint set up, then using your hands and items you found in nature, lastly create and explore.

Adaptations:

Any items found in nature will work
If you don't have paint then you could use glue to stick items to the page.

Castle Building

Materials Needed:

Blocks
Cardboard
Anything that can be
found around the house
that could be used

How to Play:

Find a space empty space
on the floor or a table,
collect materials then
create and explore!

Adaptations:

Depending on what supplies is
available you could build a castle
big enough to play in.
