

Fantasy Play Activities

Volcano

University of Alberta: Emma Kieftenbeld, Erin Berthelsen, Chloe Smith & Kaylin Berlinguette

Materials Needed:

Anything safe and available inside or out. Participants can and should use their creativity to come up with new ways to escape the volcano!

How to Play:

A giant volcano has just erupted and you have to get to safety fast! The whole floor is covered in lava and you have to get to "the water" so you are home free.

Adaptations:

there are plenty of adaptations for this game because the participants can really take it in any direction they want. The goal is for them to be creative and get home free. Home free is wherever the players decide and they can use whatever they want to help them get through the fresh lava.

Super Heroes

Materials Needed:

Participants can choose what they will use for this game.

How to Play:

The game can involve as many or as few people as want to play !

Adaptations:

there are plenty of adaptations for this game because the participants can really take it in any direction they want. The goal is for them to be creative and get home free. Home free is wherever the players decide and they can use whatever they want to help them get through the fresh lava.
